## ABOUT ME

As a dedicated front-end web developer, I bring a year of hands-on experience in the dynamic realm of web development, Armed with a bachelor's degree in information and communications technology engineering.

My expertise spans HTML, CSS, SASS, and JavaScript, complemented by proficiency in frameworks like Bootstrap and React JS.

I am adept at working with Figma files and leveraging libraries such as Redux, Redux Toolkit, Thunk, and Saga to enhance functionality.

I specialize in delivering intuitive and user-friendly web applications, with a fervent enthusiasm for creating exceptional web experiences.
